The 2023 Alaska State Shoot ran concurrently with the ATA Western Zone shoot. We had great participation from shooters outside of Alaska (Idaho, Maryland, New York, and Ohio) we really appreciate them joining us. Everyone enjoyed a beautiful sunny day on Friday. However, Saturday morning, the heavens opened, and it did not stop raining for the rest of the shoot. Over an inch of rain in two days at the club, but Alaskans are used to shooting in weather, and it did not seem to hinder our non-residents. The juniors dominated the shoot and showed young eyes and reflexes have an advantage. Cole Cervantes, Sub-Junior from Maryland. Congratulations to Connor Halvorson & Logan Williamson, who earned their first 25 Straight registered ATA targets.
